

Instructions: ★ Level 1 — Beginner Basics: Simplest ingredients and operational steps ★★ Level 2 — Homestyle Advanced: Ingredients and steps added on the basis of Level 1 ★★★ Level 3 — Intermediate Improvement: Ingredients and steps added on the basis of Level 1-2 ★★★★ Level 4 — Advanced Professional: Ingredients and steps added on the basis of Level 1-3 ★★★★★ Level 5 — Master Level: Ingredients and steps added on the basis of Level 1-4 Each level displays the complete ingredients and steps for that level; the higher the level, the richer the ingredients and the more refined the steps. Steps are separated by |.

1. 宫保鸡丁

KungPaoChicken

★ Level 1 — Beginner Basics Ingredients: Chicken breast 200g, peanuts 50g, scallions 2, light soy sauce 2 tbsp, white sugar 1 tbsp Steps: Wash and dry chicken breast, cut into 1.5cm small cubes | Heat 2 tbsp oil in a wok | Add chicken cubes and stir-fry for about 3 minutes until surface turns white | Add 2 tbsp light soy sauce and 1 tbsp white sugar, stir-fry evenly | Add peanuts, turn off the heat and stir-fry for 1 minute | Plate and serve ★★ Level 2 — Homestyle Advanced Ingredients: Chicken breast 250g, peanuts 60g, dried red chilies 3, scallions 2, ginger 3 slices, garlic 3 cloves, light soy sauce 2 tbsp, cooking wine 1 tbsp, white sugar 1 tbsp Steps: Wash and dice chicken breast, marinate with cooking wine for 10 minutes | Cut scallions, ginger, and garlic, cut dried chilies into small segments | Heat oil in wok, stir-fry scallions, ginger, garlic, and chilies over medium heat until fragrant | Add chicken cubes and stir-fry quickly over high heat for 2 minutes | Add light soy sauce and white sugar, stir-fry evenly | Finally add peanuts, turn off heat and stir-fry a few times | Plate and serve ★★★ Level 3 — Intermediate Improvement Ingredients: Chicken breast 300g, peanuts 70g, dried red chilies 5, Sichuan peppercorns 1 tbsp, scallion whites 2 segments, ginger 4 slices, garlic 4 cloves, light soy sauce 2 tbsp, dark soy sauce 1 tbsp, cooking wine 1.5 tbsp, vinegar 1 tbsp, white sugar 1.5 tbsp, starch 1.5 tbsp Steps: Cut chicken breast into 1.5cm cubes, add cooking wine and starch, mix well and marinate for 15 minutes | Sauce mixture: Mix sugar, vinegar, light soy sauce, and dark soy sauce evenly | Fry peanuts until golden, remove and set aside | Leave base oil in wok, fry Sichuan peppercorns over low heat until fragrant, then remove | Add chili segments and fry until slightly burnt | Add scallions, ginger, garlic and stir-fry until fragrant over high heat | Add chicken and stir-fry quickly over high heat for 1 minute until color changes | Pour in sauce mixture and stir-fry quickly to coat evenly | Add peanuts, stir-fry a few times, then plate ★★★★★ Level 4 — Advanced Professional Ingredients: Chicken breast 350g, peanuts 80g, dried chilies 6, Sichuan peppercorns 1.5 tbsp, scallion whites 3 segments, ginger 5 slices, garlic 5 cloves, light soy sauce 2.5 tbsp, dark soy sauce 1.5 tbsp, cooking wine 2 tbsp, vinegar 1.5 tbsp, white sugar 2 tbsp, starch 2 tbsp, salt 1 tsp, white pepper 1 tsp Steps: Cut chicken breast into 1.2cm cubes, add cooking wine, salt, pepper, and starch, mix well and marinate for 20 minutes | Prepare sauce mixture: Mix sugar, vinegar, light soy sauce, and dark soy sauce in perfect proportions | Fry peanuts over low heat until crispy and golden | Add Sichuan peppercorns to cold oil, fry over low heat for 1 minute until fragrant, then remove | Add chili segments and fry until dark red and shiny | Add scallions, ginger, garlic and stir-fry over high heat for 30 seconds until fragrant | Slide in chicken, stir-fry quickly over high heat for 1 minute until white | Pour in sauce mixture, stir-fry over high heat for 1 minute to coat evenly | Add peanuts and scallion whites, stir-fry quickly for 10 seconds | Plate immediately ★★★★★ Level 5 — Master Level Ingredients: Chicken breast 400g, peanuts 100g, dried chilies 8, Sichuan peppercorns 2 tbsp, scallion whites 4 segments, ginger 6 slices, garlic 6 cloves, light soy sauce 3 tbsp, dark soy sauce 2 tbsp, cooking wine 3 tbsp, vinegar 2 tbsp, white sugar 3 tbsp, starch 2.5 tbsp, salt 1.5 tsp, white pepper 1.5 tsp, sesame oil 1 tbsp Steps: Remove tendons from chicken breast, cut into 1cm small cubes, add cooking wine, salt, pepper, starch, and a little oil, mix well and marinate for 25 minutes | Prepare sauce mixture: Mix sugar, vinegar, light soy sauce, dark soy sauce proportions with a little water | Fry peanuts over low heat until golden and crispy, remove | Add Sichuan peppercorns to cold oil, fry over low heat for 1.5 minutes until fragrant, then remove | Add chili segments and fry until slightly burnt | Add scallions, ginger, garlic and stir-fry over high heat for 30 seconds until fragrant | Slide in chicken, stir-fry quickly over high heat for 1 minute until color changes | Pour in sauce mixture, stir-fry over high heat until thickened and coated evenly | Add fried peanuts, stir-fry quickly | Drizzle sesame oil, sprinkle a little chopped scallions | Stir-fry quickly for 10 seconds, turn off heat and plate immediately

2. 麻婆豆腐

MapoTofu

★ Level 1 — Beginner Basics Ingredients: Soft tofu 400g, ground pork 100g, doubanjiang 2 tbsp Steps: Cut tofu into 2cm cubes, soak in salted water for 5 minutes to remove raw smell | Heat oil in wok, add ground meat and stir-fry until loose and color changes | Add doubanjiang and stir-fry until red oil releases | Add minced garlic and ginger, stir-fry until fragrant | Add half a bowl of water and bring to a boil | Add tofu cubes, gently push evenly without breaking | Add light soy sauce and sugar to season | Simmer over low heat for 5 minutes to let tofu absorb flavors | Sprinkle chopped scallions and serve ★★ Level 2 — Homestyle Advanced Ingredients: Soft tofu 400g, ground pork 150g, Pixian doubanjiang 2.5 tbsp, scallions 2, ginger 3 slices, garlic 3 cloves, light soy sauce 1.5 tbsp Steps: Cut soft tofu into small cubes, blanch in boiling water for 1 minute to remove beany smell | Heat a little oil in wok, stir-fry ground pork until color changes and oil releases | Add 2.5 tbsp Pixian doubanjiang, stir-fry over low heat until red oil releases | Add minced garlic and ginger, stir-fry until fragrant | Add a small half bowl of water or broth and bring to a boil | Carefully add tofu, do not stir to avoid breaking | Add light soy sauce to season, simmer over low heat for 3 minutes | Drizzle starch water to thicken the sauce lightly | Sprinkle Sichuan peppercorn powder and chopped scallions, then serve ★★★ Level 3 — Intermediate Improvement Ingredients: Soft tofu 500g, ground pork 200g, Pixian doubanjiang 3 tbsp, scallion whites 2 segments, ginger 4 slices, garlic 4 cloves, light soy sauce 2 tbsp, dark soy sauce 0.5 tbsp, white sugar 1 tbsp, starch 1 tbsp Steps: Cut tofu into 1.5cm cubes, blanch in boiling water for 2 minutes, remove and drain | Heat oil in wok over medium heat, stir-fry ground pork until golden and crispy | Add 3 tbsp Pixian doubanjiang, slowly stir-fry over low heat until red oil releases | Add minced garlic, minced ginger, and minced scallion whites, stir-fry until fragrant | Add half a bowl of broth or water and bring to a boil | Add tofu, gently shake the wok to heat tofu evenly | Add light soy sauce, dark soy sauce, and white sugar to season | Simmer over low heat for 5 minutes to let tofu fully absorb flavors | Drizzle starch water in two batches to thicken | Sprinkle a generous amount of Sichuan peppercorn powder and chopped scallions, pour a spoonful of hot oil to release aroma ★★★★★ Level 4 — Advanced Professional Ingredients: Soft tofu 500g, ground pork 250g, Pixian doubanjiang 3.5 tbsp, Sichuan peppercorns 1 tbsp, scallion whites 3 segments, ginger 5 slices, garlic 5 cloves, light soy sauce 2 tbsp, dark soy sauce 1 tbsp, cooking wine 2 tbsp, white sugar 1.5 tbsp, starch 1.5 tbsp,

chicken bouillon a little Steps: Cut tofu into 1.5cm cubes, soak in salted water for 5 minutes then blanch for 2 minutes | Mix ground pork with cooking wine and white pepper powder, marinate for 5 minutes | Add more oil to wok, stir-fry ground pork until golden and crispy | Add Pixian doubanjiang, slowly stir-fry over low heat until red oil is fully extracted | Add minced ginger, minced garlic, minced scallion whites, stir-fry until richly fragrant | Add broth, bring to a boil and cook for 2 minutes to make the soup base rich | Add tofu, simmer over low heat for 5 minutes, gently push during this time | Prepare starch water, drizzle in three batches to thicken | Sprinkle a generous amount of Sichuan peppercorn powder and chopped scallions | Pour a spoonful of hot oil to release the aroma, serve immediately ★★★★★ Level 5 — Master Level Ingredients: Soft tofu 500g, ground pork 300g, Pixian doubanjiang 4 tbsp, Sichuan peppercorns 2 tbsp, scallion whites 4 segments, ginger 6 slices, garlic 6 cloves, light soy sauce 3 tbsp, dark soy sauce 1.5 tbsp, cooking wine 2 tbsp, white sugar 2 tbsp, starch 2 tbsp, salt 1 tsp, white pepper 1 tsp, chicken bouillon a little, sesame oil 1 tbsp Steps: Cut tofu into 1.5cm cubes, soak in light salted water for 10 minutes, then blanch for 2 minutes, remove and drain | Mix ground pork with cooking wine, white pepper powder, salt, and starch, mix well and marinate for 10 minutes | Heat oil in wok, add ground pork, stir-fry over high heat until loose, golden and fragrant | Add Pixian doubanjiang, slowly stir-fry over low heat until red oil releases about 3 minutes | Add minced ginger, minced garlic, minced scallion whites, stir-fry until fragrant, add Sichuan peppercorn powder and stir-fry to release numbing flavor | Add broth, bring to a boil over high heat, then turn to medium heat and cook for 3 minutes to blend flavors | Gently add tofu cubes, simmer over low heat for 6-8 minutes | Drizzle starch water in three batches to thicken, gently push after each addition | Drizzle sesame oil, sprinkle Sichuan peppercorn powder and chopped scallions | Pour a spoonful of boiling hot oil to release aroma, plate and serve immediately

3. 蛋炒饭

Egg Fried Rice

★ Level 1 — Beginner Basics Ingredients: Leftover rice 300g, eggs 2, scallions 1, salt a little Steps: Break up leftover rice with a spoon to avoid clumps | Beat eggs in a bowl | Heat oil in wok, pour in egg mixture and quickly stir-fry until scrambled | Add rice and stir-fry over high heat, letting each grain of rice be coated with egg | Add a little salt to season, sprinkle chopped scallions, stir-fry evenly and serve ★★ Level 2 — Homestyle Advanced Ingredients: Overnight rice 300g, eggs 2, scallions 2, salt a little, chicken bouillon a little Steps: Take leftover rice out of the fridge in advance to reach room temperature, break it up with hands | Beat eggs, add a little salt and mix well | Heat oil in wok, pour in egg mixture and stir-fry until half-cooked, then remove | Add a little more oil to wok, add rice and stir-fry over high heat | Pour in the scrambled eggs and continue to stir-fry evenly | Season with salt and a little chicken bouillon, sprinkle chopped scallions and serve ★★★ Level 3 — Intermediate Improvement Ingredients: Overnight rice 350g, eggs 3, carrots 50g, green peas 30g, scallions 2, salt, white pepper powder Steps: Overnight rice is best, break it up with hands in advance | Beat eggs, dice carrots, wash green peas | Heat oil in wok, stir-fry carrot dices and green peas until half-cooked, then remove | Add oil to wok again, pour in egg mixture and scramble | Add rice and stir-fry quickly over high heat, making the rice grains distinct | Add the stir-fried vegetable dices and stir-fry evenly | Season with salt and white pepper powder, sprinkle chopped scallions and serve ★★★★★ Level 4 — Advanced Professional Ingredients: Overnight rice 400g, eggs 3, ham 50g, carrots 50g, green peas 30g, scallions 2, salt, white pepper powder, light soy sauce a little Steps: Bring overnight rice to room temperature in advance, fully break it up with hands | Beat 3 eggs, add a little cooking wine to remove fishy smell | Dice ham, dice carrots, blanch green peas | Heat oil in wok, scramble eggs until set, then remove | Heat oil in wok, sauté chopped scallions until fragrant, add ham dices and stir-fry | Add rice and stir-fry over high heat until grains are distinct | Pour in scrambled eggs and vegetable dices, stir-fry | Season with salt, white pepper powder, and a little light soy sauce, stir-fry evenly and serve ★★★★★ Level 5 — Master Level Ingredients: Overnight rice 400g, eggs 3, shrimp 50g, ham 30g, carrots 30g, green peas 20g, corn kernels 20g, scallions 2, salt, white pepper powder, light soy sauce, cooking wine Steps: Bring overnight rice to room temperature and break up, mix in one egg yolk to coat rice making it golden | Beat egg white and the other 2 eggs, add a little salt and cooking wine | Dice shrimp, marinate with cooking wine, dice ham and carrots, prepare green peas and corn kernels | Heat oil in wok, quickly stir-fry shrimp until color changes, remove | Heat oil in wok, scramble egg whites until set, remove | Heat oil in wok, sauté chopped scallions until fragrant, add ham and carrot dices, stir-fry | Add rice and stir-fry over high heat until grains are distinct and full of egg aroma | Add shrimp, egg whites, green peas, and corn kernels, stir-fry | Season with salt, white pepper powder, and a little light soy sauce | Sprinkle chopped scallions, stir-fry evenly and plate

4. 糖醋里脊

Sweet and Sour Pork

★ Level 1 — Beginner Basics Ingredients: Pork tenderloin 300g, tomato ketchup 3 tbsp, white sugar 2 tbsp, cooking wine 1 tbsp, salt a little Steps: Wash pork tenderloin and cut into strips | Marinate with a little salt and cooking wine for 10 minutes | Heat oil in wok, add pork strips and pan-fry until both sides are golden | Add tomato ketchup and white sugar, stir-fry evenly | Add a little water, simmer for 2 minutes, reduce sauce and serve ★★ Level 2 — Homestyle Advanced Ingredients: Pork tenderloin 300g, egg 1, starch 50g, tomato ketchup 4 tbsp, white sugar 3 tbsp, white vinegar 1 tbsp, cooking wine, salt, white sesame seeds Steps: Cut pork tenderloin into strips, marinate with salt and cooking wine for 15 minutes | Beat egg, coat pork strips with egg mixture then starch | Heat oil in wok to 60% hot, add pork strips and deep fry until golden, remove | Leave base oil in wok, add tomato ketchup, white sugar, white vinegar, stir-fry evenly | Add fried pork strips, quickly stir-fry to coat with sauce | Sprinkle white sesame seeds and serve ★★★ Level 3 — Intermediate Improvement Ingredients: Pork tenderloin 350g, egg 1, starch 50g, flour 30g, tomato ketchup 5 tbsp, white sugar 4 tbsp, white vinegar 2 tbsp, light soy sauce 1 tbsp, cooking wine, salt, white pepper powder, white sesame seeds Steps: Cut pork tenderloin into 1cm thick slices, tenderize with back of knife then cut into strips | Marinate with salt, cooking wine, and white pepper powder for 15 minutes | Prepare batter: Mix starch, flour, egg, and water into a paste | Coat pork strips with batter, deep fry in 60% hot oil until golden, remove | Increase oil temperature to 70% hot, deep fry again for 30 seconds to make the crust crispier | Add a little oil to wok, add tomato ketchup, white sugar, white vinegar, and a little water, bring to a boil | Pour in starch water to thicken, add fried pork strips and quickly stir-fry | Once sauce evenly coats, serve immediately ★★★★★ Level 4 — Advanced Professional Ingredients: Pork tenderloin 400g, egg 1, starch 60g, flour 30g, tomato ketchup 5 tbsp, white sugar 4 tbsp, white vinegar 2 tbsp, light soy sauce 1 tbsp, cooking wine, salt, white pepper powder, ginger, white sesame seeds, scallions Steps: Cut pork tenderloin into 1cm thick slices, tenderize with back of knife in cross pattern then cut into strips | Marinate with salt, cooking wine, white pepper powder, and a little light soy sauce for 20 minutes | Prepare crispy batter: Starch and flour in 2:1 ratio, add egg and water to make a yogurt-like consistency | Coat pork strips with dry starch first, then coat with crispy batter | Oil temperature 60% hot, add pork strips one by one, deep fry until light yellow, remove | Increase oil temperature to 70% hot, deep fry all again for 1 minute until golden and crispy | Sauce: Mix tomato ketchup, white sugar, white vinegar, light soy sauce, and water in proportion | Add a little oil to wok, pour in sauce and bring to a boil, add starch water to thicken | Add fried pork strips, quickly stir-fry to

coat evenly with sauce | Drizzle a little hot oil to make sauce shinier, sprinkle sesame seeds and chopped scallions, serve ★★★★★ Level 5 — Master Level Ingredients: Pork tenderloin 400g, egg 1, starch 70g, flour 35g, tomato ketchup 6 tbsp, white sugar 5 tbsp, white vinegar 3 tbsp, light soy sauce 1 tbsp, orange juice 1 tbsp, cooking wine, salt, white pepper powder, ginger, garlic, white sesame seeds, scallions Steps: Remove tendons from pork tenderloin, cut into 1cm thick slices, tenderize with back of knife in cross pattern then cut into strips | Marinate with salt, cooking wine, white pepper powder, light soy sauce, and ginger juice for 20 minutes | Prepare crispy batter: Starch and flour in 2:1 ratio, add egg, water, and a little oil to make a batter, let it rest for 10 minutes | Coat pork strips with dry starch first, then evenly coat with crispy batter | Oil temperature 60% hot, add strips one by one and deep fry until light yellow about 2 minutes, remove | Increase oil temperature to 70% hot, deep fry all again for 1 minute until golden and crispy | Add a little oil to wok, sauté minced garlic until fragrant | Add tomato ketchup, white sugar, white vinegar, light soy sauce, orange juice, mix well and bring to a boil | Add starch water to thicken until glossy and translucent, add a little hot oil and stir to make sauce shinier | Pour in fried pork strips, quickly stir-fry, each strip should be evenly coated with sauce | Sprinkle white sesame seeds and chopped scallions, plate and serve immediately

5. 红烧肉

Red Braised Pork

★ Level 1 — Beginner Basics Ingredients: Pork belly 500g, scallions 2, ginger 3 slices, rock sugar 20g, light soy sauce 2 tbsp, dark soy sauce 1 tbsp Steps: Wash pork belly and cut into 3cm cubes | Boil water in a pot, add pork cubes and blanch for 2 minutes, remove | Add a little oil to wok, add pork cubes and pan-fry until both sides are slightly yellow | Add light soy sauce and dark soy sauce, stir-fry to color | Add boiling water to cover pork cubes, add scallions, ginger, and rock sugar | Bring to a boil over high heat, then simmer over low heat for 40 minutes | Turn to high heat to reduce sauce until thick, then serve ★★ Level 2 — Homestyle Advanced Ingredients: Pork belly 500g, scallions 2, ginger 4 slices, star anise 1, rock sugar 30g, light soy sauce 2 tbsp, dark soy sauce 1 tbsp, cooking wine 2 tbsp, salt a little Steps: Cut pork belly into 3cm cubes, put in cold water with cooking wine, blanch for 5 minutes, remove and wash | Add a little oil to wok, add rock sugar, stir over low heat until melted and amber-colored | Add pork cubes, stir-fry evenly to color | Add scallion segments, ginger slices, star anise, add cooking wine, light soy sauce, and dark soy sauce | Add boiling water to cover meat, bring to a boil over high heat, simmer over low heat for 1 hour | Add salt to season, continue to simmer for 20 minutes | Turn to high heat to reduce sauce until thick, each piece of meat coated with sauce, then serve ★★★ Level 3 — Intermediate Improvement Ingredients: Pork belly 600g, scallions 2, ginger 5 slices, star anise 1, cinnamon 1 small piece, bay leaves 2, rock sugar 40g, light soy sauce 2 tbsp, dark soy sauce 1 tbsp, cooking wine 2 tbsp, salt a little Steps: Cut pork belly into 3cm cubes, put in cold water with ginger slices and cooking wine, blanch for 5 minutes, remove and wash | Add a little oil to wok, add rock sugar, stir over low heat to caramelize until jujube red | Add pork cubes and stir-fry to color, add star anise, cinnamon, bay leaves, and other spices | Add scallion segments, ginger slices, add cooking wine, light soy sauce, dark soy sauce, stir-fry evenly | Add boiling water to cover meat, bring to a boil over high heat, simmer over low heat for 1.5 hours | Add salt and a little rock sugar to season, continue to simmer for 30 minutes until meat is soft and tender | Turn to high heat to reduce sauce until thick, keep stirring to avoid sticking to pot | Reduce sauce until it coats each piece of meat, then serve ★★★★★ Level 4 — Advanced Professional Ingredients: Pork belly 600g, scallions 2, ginger 5 slices, star anise 2, cinnamon 1 small piece, bay leaves 2, dried chilies 2, rock sugar 50g, light soy sauce 3 tbsp, dark soy sauce 2 tbsp, cooking wine 2 tbsp, salt a little Steps: Cut pork belly into 3cm cubes, blanch in cold water with ginger slices and cooking wine for 5 minutes, remove and wash with warm water | Add a little oil to wok, add rock sugar, stir over low heat until jujube red and small bubbles appear | Add pork cubes, quickly stir-fry to color | Add scallion segments, ginger slices, star anise, cinnamon, bay leaves, dried chilies | Add cooking wine, light soy sauce, dark soy sauce, stir-fry until fragrant | Add boiling water to cover meat, bring to a boil over high heat, skim off the foam | Turn to low heat, cover and simmer for 1.5 hours until chopsticks can easily pierce the meat | Add salt to season, continue to simmer for 20 minutes | Turn to high heat to reduce sauce, constantly stir to prevent sticking | When sauce is thick and coats each piece of meat, sprinkle a little chopped scallions and serve ★★★★★ Level 5 — Master Level Ingredients: Pork belly 700g, scallions 3, ginger 6 slices, star anise 2, cinnamon 1 small piece, bay leaves 2, dried chilies 2, Sichuan peppercorns 1 tsp, rock sugar 60g, light soy sauce 3 tbsp, dark soy sauce 2 tbsp, cooking wine 3 tbsp, salt to taste Steps: Choose pork belly with three layers of fat and two layers of lean meat as best, cut into 3cm cubes | Blanch in cold water with ginger slices, cooking wine, and Sichuan peppercorns for 5 minutes, remove and wash with warm water | Add a little oil to wok, add rock sugar, stir over low heat until jujube red with dense small bubbles | Add pork cubes, quickly stir-fry until each side is evenly colored | Add scallion segments, ginger slices, 2 star anise, 1 small piece cinnamon, 2 bay leaves, 2 dried chilies | Drizzle cooking wine along the edge of wok to remove fishy smell, add light soy sauce and dark soy sauce, stir-fry to release sauce aroma | Add boiling water to cover meat by 2cm, bring to a boil over high heat, thoroughly skim off the foam | Turn to low heat, cover and slowly simmer for 1.5-2 hours until meat is thoroughly tender | Add salt and a little rock sugar to season, continue to simmer for 20 minutes | Pick out spices, turn to high heat to reduce sauce, constantly stir with a spatula | When sauce is reduced until thick and shiny, coating each piece of meat, turn off heat and serve

6. 火锅

Hot Pot

★ Level 1 — Beginner Basics Ingredients: Hot pot base 1 pack, dipping sauce 1 portion, fatty beef slices 200g, vegetable platter 1 portion, tofu 200g, glass noodles 1 handful Steps: Buy hot pot base and dipping sauce from supermarket | Wash all kinds of ingredients, cut vegetables, slice meat | Boil water in pot, add hot pot base and bring to a boil | First boil ingredients that take longer to cook like potatoes and radishes | Then boil meat slices and vegetables | Prepare dipping sauce and enjoy ★★ Level 2 — Homestyle Advanced Ingredients: Hot pot base 1 pack, sesame paste, minced garlic, chopped scallions, fatty beef slices 300g, mutton slices 200g, vegetable platter, tofu, glass noodles, potatoes, radishes Steps: Prepare hot pot base, dipping sauce, and various ingredients | Slice meat thinly, wash and cut vegetables, cut tofu into cubes, soak glass noodles | Boil water in pot, add hot pot base, ginger slices, and scallion segments, boil for 10 minutes | Prepare dipping sauce: Sesame paste, minced garlic, chopped scallions, sesame oil, light soy sauce | First boil meat then vegetables, pay attention to heat | Add broth at any time to maintain soup level ★★★ Level 3 — Intermediate Improvement Ingredients: Hot pot base 1 pack, beef slices 300g, mutton slices 200g, shrimp paste 200g, fish balls 100g, vegetable platter, tofu, potatoes, lotus root slices, glass noodles, shiitake mushrooms, enoki mushrooms, sesame paste, minced garlic, chopped scallions, sesame oil, light soy sauce, oyster sauce, chili oil, cilantro Steps: Put hot pot base in pot, add ginger slices, scallion segments, dried chilies, Sichuan peppercorns, add water and bring to a boil over high heat, then turn to medium-low heat and boil for 15 minutes to release flavor | Prepare dipping sauce: Dilute sesame paste with warm water, add minced garlic, chopped scallions, sesame oil, light soy sauce, oyster sauce, chili oil, mix well | Arrange beef slices and mutton slices on plates separately, squeeze shrimp paste into balls, cut fish balls in half, remove stems from

shiitake mushrooms and make cross cuts | First boil meat to make soup base more delicious, cook shrimp paste until it floats and turns red, cook fish balls until expanded | Add vegetables to pot in order of cooking time, boil potato and lotus root slices for 3-5 minutes, boil mushrooms for 2 minutes | Use a slotted spoon to scoop ingredients, eat with dipping sauce, add broth at any time to maintain soup level

★★★★ Level 4 — Advanced Professional Ingredients: Beef bone broth 2000ml, beef slices 300g, mutton slices 250g, fresh shrimp 200g, squid 200g, shrimp paste 150g, fish balls 100g, duck blood 200g, tofu 200g, potatoes, lotus root slices, winter melon, shiitake mushrooms, enoki mushrooms, baby cabbage, glass noodles, rice cakes, sesame paste, minced garlic, chopped scallions, minced ginger, minced cilantro, sesame oil, light soy sauce, oyster sauce, fermented bean curd sauce, chili oil, Sichuan peppercorn oil, cooked sesame seeds Steps: Make broth from beef or chicken bones: Blanch beef bones, add ginger slices and scallion segments, bring to a boil over high heat, simmer over low heat for 2 hours, strain and use as soup base | Add a little oil to wok, sauté ginger slices, scallion segments, dried chilies, Sichuan peppercorns until fragrant, pour in broth and bring to a boil over high heat, add a little goji berries and red dates to enhance aroma | Make dipping sauce: Dilute sesame paste with warm water, add fermented bean curd sauce, oyster sauce, light soy sauce, sesame oil, Sichuan peppercorn oil, chili oil, minced garlic, chopped scallions, minced cilantro, cooked sesame seeds, mix well | Ingredient preparation: Arrange beef slices and mutton slices on plates, butterfly fresh shrimp and remove vein, score squid and slice, cut duck blood into thick pieces, slice tofu, cut vegetables as needed | Boiling order: First add duck blood, tofu, and ingredients that take longer to cook, then boil meat and seafood, finally boil vegetables and mushrooms | Use a spoon to scoop shrimp paste into balls and put into pot, cook until it floats and turns red, squid is cooked when it curls | Add rice cakes and glass noodles last, glass noodles are cooked in 1 minute, cook rice cakes until soft and sticky

★★★★ Level 5 — Master Level Ingredients: Beef marrow bones 500g, old hen half, beef slices 300g, mutton slices 250g, fresh shrimp 200g, squid 150g, fresh abalone 4, shrimp paste 150g, fish balls 100g, duck blood 200g, frozen tofu 200g, fresh yuba 100g, potatoes, lotus root slices, winter melon, Chinese yam, shiitake mushrooms, enoki mushrooms, king oyster mushrooms, baby cabbage, crown daisy, glass noodles, rice cakes, sesame paste, minced garlic, chopped scallions, minced ginger, minced cilantro, crushed peanuts, sesame oil, light soy sauce, oyster sauce, fermented bean curd sauce, chive flower sauce, chili oil, Sichuan peppercorn oil, cooked sesame seeds Steps: Boil top-grade broth: Crack beef marrow bones and blanch, chop old hen into pieces and blanch, put them together in a pot with ginger slices, scallion segments, and cooking wine, bring to a boil over high heat, simmer over low heat for 3-4 hours until soup is milky white, strain to get broth | Make soup base: Add oil to wok, sauté ginger slices, scallion segments, dried chilies, Sichuan peppercorns, and star anise until fragrant, pour in boiled broth, add goji berries, red dates, and a little salt to season, bring to a boil over high heat, then turn to medium heat and boil for 10 minutes | Secret dipping sauce: Dilute sesame paste with warm water in batches until smooth, add fermented bean curd sauce, chive flower sauce, oyster sauce, light soy sauce, sesame oil, Sichuan peppercorn oil, chili oil, minced garlic, minced ginger, chopped scallions, minced cilantro, crushed peanuts, cooked sesame seeds, mix well | Carefully prepare ingredients: Slice beef thinly and arrange on plate, arrange mutton slices on plate, butterfly fresh shrimp and remove vein keeping tail shell, score squid in grid pattern and slice, remove shell and innards from abalone and score, cut duck blood into thick pieces, thaw frozen tofu and cut into cubes, cut vegetables and arrange on plates | Boiling order is important: First add duck blood, frozen tofu, and yuba, which take longer to cook, boil for 5 minutes | Then boil meat: Use chopsticks to hold meat slices and swish back and forth in boiling soup for 10-15 seconds until color changes | Then boil seafood: Shrimp is ready when it turns red, squid is ready when it curls, blanch abalone for 30 seconds | Use a spoon to scoop shrimp paste into balls, put into pot and cook until it floats | Finally boil vegetables, mushrooms, glass noodles, and rice cakes | Skim foam off soup surface at any time to keep soup base clear, when adding broth midway, use the original broth

7. 北京烤鸭

Peking Duck

★ Level 1 — Beginner Basics Ingredients: Roast duck 1, lotus leaf buns 20, sweet bean sauce half bowl, scallions 2, cucumber 1 Steps: Buy ready-made roast duck from supermarket | Put roast duck in preheated oven at 180°C and heat for 10 minutes | Take out and slice duck meat while hot | Prepare lotus leaf buns, sweet bean sauce, shredded scallions, and cucumber strips | Take a lotus leaf bun, add duck meat, shredded scallions, cucumber strips, and sweet bean sauce | Roll it up and enjoy

★★ Level 2 — Homestyle Advanced Ingredients: Roast duck 1, lotus leaf buns 20, sweet bean sauce half bowl, scallions 3, cucumber 1, white sugar a little, sesame oil a little Steps: Buy ready-made roast duck, preheat oven to 180°C | Put roast duck in oven and heat for 10-15 minutes until skin is crispy | Slice duck meat into thin slices while hot, with skin and meat | Duck carcass can be kept for making soup | Prepare lotus leaf buns, steam in pot for 2 minutes until soft | Mix sweet bean sauce with a little sugar and sesame oil | Plating: Arrange duck meat slices neatly, serve with lotus leaf buns, shredded scallions, cucumber strips, and sweet bean sauce

★★★ Level 3 — Intermediate Improvement Ingredients: Roast duck 1, lotus leaf buns 24, sweet bean sauce half bowl, scallion whites 3, cucumber 1, white radish half, white sugar a little, sesame oil a little, minced garlic a little Steps: Buy high-quality roast duck, preheat oven to 180°C | Put roast duck in oven and heat for 12-15 minutes until skin is crispy | Use a sharp duck carving knife to slice duck meat into thin slices while hot, each slice with skin and meat, slice about 24 pieces in total | Mix sweet bean sauce with white sugar, sesame oil, and a little minced garlic, steam for 5 minutes to enhance aroma | Steam lotus leaf buns in pot over high heat for 2 minutes until soft and translucent | Cut scallion whites into thin shreds, cut cucumber into thin strips, peel white radish and cut into thin strips, arrange on plates separately | Take a lotus leaf bun, add duck meat, shredded scallions, cucumber strips, radish strips, and sweet bean sauce, roll up and eat

★★★★ Level 4 — Advanced Professional Ingredients: Premium forced duck 1 about 2kg, lotus leaf buns 30, sweet bean sauce half bowl, scallion whites 4, cucumber 1, white radish half, watermelon radish half, white sugar, sesame oil, minced garlic, honey a little Steps: Buy premium forced duck, preheat oven to 180°C | Put roast duck in middle rack of oven, heat at 180°C top and bottom heat for 15 minutes until skin is crispy and shiny | Duck carving method: First slice duck breast skin, then slice duck leg meat, each slice about 2mm thick with skin and meat, slice about 30 pieces in total | Mix sweet bean sauce with white sugar, sesame oil, minced garlic, and a little honey, steam over water for 8 minutes to make it more fragrant and rich | Steam lotus leaf buns in pot over high heat for 2 minutes, peel apart while hot and stack | Side dishes: Cut scallion whites into thin shreds, soak in ice water to make them curl, cut cucumber into thin strips, cut white radish and watermelon radish into thin shreds separately | Plating: Arrange duck meat slices in a fan shape, place side dishes in compartments, put sweet bean sauce in a small dish | Make soup from duck carcass: Add ginger slices and scallion segments, bring to a boil over high heat, simmer over low heat for 1 hour, add Chinese cabbage and tofu to make duck bone soup

★★★★★ Level 5 — Master Level Ingredients: Premium Beijing forced duck 1 about 2.5kg, lotus leaf buns 36, sweet bean sauce half bowl, scallion whites 5, cucumber 1, cantaloupe half, watermelon radish half, white sugar, sesame oil, minced garlic, honey, osmanthus sauce a little Steps: Select premium Beijing forced duck, preheat oven to 200°C | Roast duck preparation: First pour boiling water over duck skin to tighten it, then brush a layer of maltose water and let dry, put in oven at 200°C for 10 minutes to set shape, turn to 180°C and roast for 15-20 minutes until skin is crispy, golden and red | Duck carving technique: Use a special duck carving knife, first slice the crispiest part of duck breast skin, then slice duck leg and duck back in order, each slice about 2mm thick, slice 36 pieces in total, keep duck shape intact when plating | Mix sweet bean sauce with white sugar, sesame oil, minced garlic, honey, and osmanthus sauce, steam over water for 10 minutes until aroma is rich | Steam lotus leaf buns in pot over high heat for 2 minutes, peel apart while hot

and stack, keep soft | Upgraded side dishes: Cut scallion whites into thin shreds, soak in ice water until curled, peel cantaloupe and cut into thin strips, cut watermelon radish into thin shreds, cut cucumber into thin strips | Plating art: Plate duck skin and duck meat separately, place side dishes in compartments, sweet bean sauce and osmanthus sauce in separate small dishes | Make soup from duck carcass: Add ginger slices, scallion segments, and cooking wine, bring to a boil over high heat, simmer over low heat for 2 hours, add Chinese cabbage, tofu, and glass noodles to make delicious duck bone soup | Eating method: Take a lotus leaf bun, spread sweet bean sauce, add duck skin dipped in osmanthus sauce, then add duck meat and side dishes, roll up and eat, skin is crispy and meat is tender

drizzle a little sesame oil to lock in moisture | Roll dough into a long strip, cut into small pieces, about 10g each, press flat and roll into round wrappers with thick centers and thin edges | Dumpling wrapping method: Take a wrapper, put an appropriate amount of filling, fold in half, left thumb pushes a pleat, right thumb and index finger pinch together, make even pleats | Boil water in a pot, add a little salt, after putting in dumplings, immediately use a slotted spoon to gently push along the edge of the pot to prevent sticking to bottom | Boil over high heat until they float, then add cold water, repeat 3 times, the last time cook without lid until dumpling skins are semi-transparent | Remove and plate, serve with dipping sauce: Mix vinegar, light soy sauce, minced garlic, and sesame oil evenly ★★★★★ Level 5 — Master Level Ingredients: Pork front leg meat 400g, fresh shrimp 200g, chives 100g, Chinese cabbage 100g, flour 400g, ginger, scallions, salt, light soy sauce, dark soy sauce, cooking wine, white pepper powder, egg 1, sesame oil, oyster sauce, Sichuan peppercorn oil, chicken broth jelly 200g Steps: Make dough: Add one egg white and a little salt to flour, knead with warm water into a smooth dough, cover with a cloth and let rest for 40 minutes | Make meat filling: Mince pork front leg meat by hand for better texture, add minced ginger and chopped scallions, add salt, light soy sauce, dark soy sauce, cooking wine, white pepper powder, oyster sauce, Sichuan peppercorn oil, and stir in one direction, add a little scallion ginger water in batches and stir until paste-like | Filling upgrade: Cut fresh shrimp into large dices, chop chives and mix with sesame oil to prevent water from coming out, chop Chinese cabbage and squeeze out water, cut chicken broth jelly into small dices | Mix all fillings evenly, finally gently mix in chicken broth jelly dices thisisthekeytofulldumplingsoup | Roll dough into a long strip, cut into small pieces, 12g each, roll into round wrappers with thin edges and thick centers | Dumpling wrapping technique: Take a wrapper, put an appropriate amount of filling, use right thumb and index finger to pinch even pleats from right to left, finally pinch the opening tightly, forming a crescent shape | Cooking: Boil water in a pot, add a little salt, after putting in dumplings, immediately push gently to prevent sticking to bottom, cover and boil over high heat until they float | Add water three times: Add half a bowl of cold water each time, the third time boil without lid until dumpling skins are puffed and translucent | Upgraded dipping sauce: Mix aged vinegar, light soy sauce, minced garlic, shredded ginger, sesame oil, and chili oil in proportion | Remove and plate, eat while hot, bite open for full, delicious, and juicy soup

9. 小笼包

Xiaolongbao

★ Level 1 — Beginner Basics Ingredients: Frozen xiaolongbao 20, ginger 1 piece, vinegar 3 tbsp Steps: Buy frozen xiaolongbao from supermarket | Boil water in steamer, line steamer basket with steamer paper | Put in xiaolongbao, keep a certain distance | Steam over high heat for 8-10 minutes | Prepare shredded ginger and vinegar as dipping sauce | Eat while hot, be careful of hot soup ★★ Level 2 — Homestyle Advanced Ingredients: Ground pork 300g, pork skin jelly 150g, flour 300g, ginger, scallions, salt, light soy sauce, cooking wine, white sugar, vinegar Steps: Add minced ginger and chopped scallions to ground pork, add salt, light soy sauce, cooking wine, white sugar, and mix well | Mince pork skin jelly and add to meat filling, mix well thisisthekeytosoup | Add warm water to flour and knead into a dough, let rest for 20 minutes | Roll dough into a strip, cut into small pieces, roll into wrappers with thick centers and thin edges | Take a wrapper, put filling, use thumb and index finger to make pleats and close the opening | Put xiaolongbao in steamer after water boils,

steam over high heat for 8 minutes | Serve with shredded ginger and vinegar dish ★★★ Level 3 — Intermediate Improvement Ingredients: Ground pork 300g, pork skin jelly 200g, flour 350g, ginger, scallions, salt, light soy sauce, dark soy sauce, cooking wine, white sugar, white pepper powder, sesame oil, vinegar Steps: Add minced ginger and chopped scallions to ground pork, add salt, light soy sauce, dark soy sauce, cooking wine, white sugar, white pepper powder, sesame oil, and stir in one direction until sticky | Cut pork skin jelly into small dices, add to meat filling and mix well, put in refrigerator for 20 minutes to make filling slightly hard and easier to wrap | Add warm water to flour and knead into a smooth dough, let rest for 30 minutes, roll into a strip, cut into small pieces, 15g each | Oil the cutting board, press pieces flat and roll into 8cm diameter round wrappers with thick centers and thin edges | Take a wrapper, put an appropriate amount of filling, use thumb and index finger to make pleats, make 18-20 pleats for each xiaolongbao and close opening | Line steamer basket with carrot slices or steamer paper to prevent sticking, put in xiaolongbao and keep spacing | Put steamer basket in after water boils, steam over high heat for 8 minutes | Serve with shredded ginger and vinegar dish ★★★★★ Level 4 — Advanced Professional Ingredients: Ground pork 350g, fresh shrimp 100g, pork skin jelly 250g, all-purpose flour 400g, ginger, scallions, salt, light soy sauce, dark soy sauce, cooking wine, white sugar, white pepper powder, sesame oil, oyster sauce, Huadiao wine, broth 100ml Steps: Make skin jelly: Wash pork skin, blanch and remove fat, add ginger slices, scallion segments, and appropriate water, boil for 2 hours until soup is thick, strain and cool to set into jelly, mince and set aside | Make meat filling: Add ginger juice and chopped scallions to ground pork, add salt, light soy sauce, dark soy sauce, white sugar, white pepper powder, oyster sauce, Huadiao wine, and stir in one direction | Add broth in batches and stir until completely absorbed, then add sesame oil and mix well | Dice fresh shrimp and mix into meat filling, finally add minced skin jelly and mix well, refrigerate for 30 minutes | Make dough: Add a little salt to all-purpose flour, knead with warm water into a smooth dough, let rest for 30 minutes | Roll into a strip, cut into small pieces, 12g each, roll into 8cm diameter round wrappers with thick centers and thin edges | Wrapping technique: Take a wrapper, put 25g filling, left thumb presses filling, right thumb and index finger make pleats along the edge, make 20-22 pleats for each bun, leave a small hole at the closure | Line steamer basket with steamer paper or carrot slices, put in xiaolongbao and keep spacing | Boil water in steamer over high heat, put in steamer basket, steam over high heat for 8 minutes until skin is semi-transparent ★★★★★ Level 5 — Master Level Ingredients: Pork front leg meat 400g, fresh shrimp 150g, pork skin jelly 300g, all-purpose flour 400g, high-gluten flour 100g, ginger, scallions, salt, light soy sauce, dark soy sauce, cooking wine, white sugar, white pepper powder, sesame oil, oyster sauce, Huadiao wine, broth 200ml, edible alkali a little Steps: Boil top-grade skin jelly: Blanch pork skin and scrape off fat, add chicken feet, ginger slices, scallion segments, Huadiao wine, and plenty of water, boil for 3 hours until soup is thick, strain and refrigerate until set into jelly, cut into small dices and set aside | Make meat filling: Mince pork front leg meat by hand into a paste, add ginger juice, chopped scallions, salt, light soy sauce, dark soy sauce, white sugar, white pepper powder, oyster sauce, Huadiao wine, and stir in one direction | Add broth in batches, stir until completely absorbed each time, making meat filling full and juicy | Dice fresh shrimp and mix in, finally add sesame oil and skin jelly dices and mix well, refrigerate for 1 hour to make filling firmer | Make dough: Mix all-purpose flour and high-gluten flour, add a little salt and edible alkali, knead with warm water into a smooth dough, let rest for 40 minutes to make skin more chewy | Roll into a strip, cut into small pieces, 10g each, press flat and roll into 8cm diameter round wrappers with extremely thin edges and slightly thick centers | Wrapping technique: Take a wrapper, put 30g filling, left hand cooperates to rotate, right thumb and index finger pinch pleats, make 22-24 even pleats for each bun, pinch closure tightly into a crucian carp mouth shape | Steaming: Line steamer basket with pine needles or carrot slices, put in xiaolongbao and keep spacing | Boil water in steamer over high heat, put in steamer basket, steam over high heat for 6-7 minutes, until skin is semi-transparent and soup is faintly visible | Dipping sauce: Soak shredded ginger in Zhenjiang fragrant vinegar, serve with it | Eating method: Gently lift xiaolongbao, first bite a small hole in the skin and suck out the soup, then dip in ginger vinegar to eat

10. 宫保虾球

KungPaoShrimp

★ Level 1 — Beginner Basics Ingredients: Large shrimp 300g, peanuts 50g, light soy sauce 2 tbsp, white sugar 1 tbsp, cooking wine 1 tbsp, scallions 1 Steps: Peel and devein large shrimp, wash and marinate with cooking wine for 5 minutes | Heat oil in wok, add shrimp and stir-fry until color changes | Add light soy sauce and white sugar, stir-fry evenly | Add peanuts and stir-fry a few times | Sprinkle chopped scallions and serve ★★ Level 2 — Homestyle Advanced Ingredients: Large shrimp 350g, peanuts 60g, dried chilies 3, scallions, ginger, garlic, light soy sauce 2 tbsp, white sugar 1 tbsp, vinegar 1 tbsp, starch 1 tbsp, cooking wine, salt Steps: Peel and devein large shrimp, butterfly, add cooking wine, salt, starch, mix well and marinate for 10 minutes | Chop scallions, mince ginger and garlic, cut dried chilies into segments | Prepare sauce mixture: Mix light soy sauce, sugar, vinegar, starch, and water evenly | Heat oil in wok, slide in shrimp and stir-fry until color changes, remove | Sauté scallions, ginger, garlic, and chilies in wok until fragrant | Pour in shrimp and sauce mixture, quickly stir-fry | Add peanuts, stir-fry evenly and serve ★★★ Level 3 — Intermediate Improvement Ingredients: Large shrimp 400g, peanuts 60g, dried chilies 4, Sichuan peppercorns 1 tsp, scallions, ginger, garlic, light soy sauce 2 tbsp, dark soy sauce 0.5 tbsp, white sugar 1 tbsp, vinegar 1 tbsp, cooking wine 1 tbsp, starch 1 tbsp, salt, white pepper powder, sesame oil Steps: Peel and devein large shrimp, butterfly, add cooking wine, salt, white pepper powder, starch, mix well and marinate for 15 minutes | Fry peanuts over low heat until golden and crispy, remove | Prepare sauce mixture: Mix light soy sauce, dark soy sauce, white sugar, vinegar, cooking wine, starch, water, and sesame oil evenly | Heat oil in wok to 60% hot, slide in shrimp and stir-fry until curled and red, remove | Leave base oil in wok, fry Sichuan peppercorns over low heat until fragrant, then remove, add dried chili segments and fry until slightly burnt | Add minced ginger, minced garlic, and chopped scallions, sauté over high heat until fragrant | Pour in shrimp, stir-fry over high heat, pour sauce mixture along the edge of wok, quickly stir-fry to coat evenly | Add peanuts, stir-fry a few times, serve immediately ★★★★★ Level 4 — Advanced Professional Ingredients: Large shrimp 450g, peanuts 70g, dried chilies 5, Sichuan peppercorns 1 tbsp, scallion whites 2 segments, ginger 4 slices, garlic 4 cloves, light soy sauce 2 tbsp, dark soy sauce 0.5 tbsp, white sugar 1.5 tbsp, vinegar 1.5 tbsp, cooking wine 1 tbsp, starch 1.5 tbsp, salt, white pepper powder, egg white half, sesame oil Steps: Peel and devein large shrimp, butterfly, add salt, white pepper powder, cooking wine, egg white, starch, mix well and marinate for 20 minutes | Fry peanuts over low heat until golden and crispy, remove and drain oil | Prepare sauce mixture: Mix light soy sauce, dark soy sauce, white sugar, vinegar, cooking wine, starch, water, sesame oil evenly and set aside | Add more oil to wok, heat to 50% hot, slide in shrimp and stir-fry until 80% cooked, remove | Leave base oil in wok, fry Sichuan peppercorns over low heat until fragrant, then remove, add dried chili segments and fry until brownish-red | Add scallion white segments, ginger slices, garlic slices, sauté over high heat until fragrant | Pour in shrimp, stir-fry quickly over high heat, pour sauce mixture along the edge of wok, stir-fry until sauce thickens and coats evenly | Add peanuts, quickly mix well, plate and serve immediately ★★★★★ Level 5 — Master Level Ingredients: Large shrimp 500g, peanuts 80g, dried chilies 6, Sichuan peppercorns 1.5 tbsp, scallion whites 3 segments, ginger 5 slices, garlic 5 cloves, light soy sauce 2.5 tbsp, dark soy sauce 0.5 tbsp, white sugar 2.5 tbsp, vinegar 2.5 tbsp, Huadiao wine 1 tbsp, starch 1.5 tbsp, salt, white pepper powder, egg white half, sesame oil, chili oil a little Steps: Peel large shrimp keeping tail shell, butterfly and devein, add salt, white pepper powder, Huadiao wine, egg white, starch, mix well and marinate for 20 minutes | Fry peanuts over low heat until crispy and golden, remove and drain oil | Prepare sauce mixture: Mix light soy sauce, dark soy sauce, white sugar, vinegar, Huadiao wine, starch, water, sesame oil, chili oil evenly | Add more oil to wok, heat to 50% hot, slide in shrimp

and stir-fry until all curled and red, remove | Leave base oil in wok, fry Sichuan peppercorns over low heat until dark brown and fragrant, then remove, add dried chili segments and fry until dark red | Add scallion white segments, ginger slices, garlic slices, sauté over high heat for 30 seconds until fragrant | Pour in shrimp, stir-fry quickly over high heat, pour sauce mixture along the edge of wok, quickly stir-fry until sauce thickens and completely coats shrimp | Add peanuts, quickly mix well | After plating, sprinkle a little chopped scallions for garnish, serve immediately while hot
